PIZZA DOUGH

Despite fads and trends that deliver increasingly unique pizza styles and flavors to the market, consumers still believe that truly great pizza starts with the crust. Roseli® happens to agree, and so we provide operators with a variety of pizza crust options in a consistent, across-the-board flavor profile to cater to your operation. Bring an authentic taste of Italy to your tables, and save time without compromising taste or quality.

PIZZA DOUGH

Despite fads and trends that deliver increasingly unique pizza styles and flavors to the market, consumers still believe that truly great pizza starts with the crust. Roseli® happens to agree, and so we provide operators with a variety of pizza crust options in a consistent, across-the-board flavor profile to cater to your operation. Bring an authentic taste of Italy to your tables, and save time without compromising taste or quality.

Product Attributes

- Developed to emulate a made-from-scratch appearance
- Variety of sizes and thicknesses
- Frozen for minimal waste, with a seven-day refrigerator life

Benefits

- Pre-proofed and par-baked crusts cut wait times for customers
- Sheeted crusts cut equipment and labor costs
- Dough balls can be used as fresh dough for any application

Insights

In a recent Datassentials study measuring the importance of pizza attributes among diners, crust quality rated on par with freshness and quality of toppings – even ahead of price-for-quality value.
