#### Product Inspiration

A recipe of Pat LaFrieda, Chef's Line All Natural Bratwurst uses whole muscle cuts of pork and veal, not scraps, to keep the integrity of the bratwurst. Spiced with nutmeg and mace, the taste is authentic and easily savored. Additionally, bratwurst is increasingly popular at places like the local pub. Our all natural ingredients are also appealing in diner and sporting event settings. In fact, bratwurst menu penetration has grown by 24% in the last four years and is on the rise.
