CLEANING  DISPOSABLES

## MONOGRAM<sup>®</sup> PLEATPAK<sup>™</sup>

You have customers that love your burgers and sandwiches. If they can't enjoy them at your restaurant, make sure that your signature sandwiches stay intact during takeout with the Monogram<sup>®</sup> Pleatpak<sup>™</sup>. It's wrapping made easy.

## POSITIVE DINING EXPERIENCES

Monogram® is an extensive line of disposable products. From paper dinnerware and cups to multifunctional food packaging, Monogram has the solution to all your disposable needs under one brand.

### Product Inspiration

This isn't your normal sandwich wrap. The pleated folds create a pocket that comfortably holds the heartiest of sandwiches and burgers. They're perfect for fast wrapping and keeping items warm, while reducing moisture buildup. So don't make takeout taxing for your customers.

### HOW TO PACKAGE A SANDWICH

PleatPak™ Packaging Procedures

**1.** Open the package printed side down. Pleated section at the left.

**2.** Place or build sandwich on top 1/3 of flat paper.

**3.** Fold flat paper over bread crown.

**4.** Gently pick up sandwich holding flat part with left hand.

**5.** Using right hand, thumb in and fingers out, pull/unfold pleats closest to where the pleats begin around the sandwich.

**6.** Continue to unfold the pleats around the sandwich keeping thumb as close to the sandwich as possible.

**7.** When most of the pleats are unfolded around the sandwich, change hand position to continue to unpleat.

**8.** Sandwich is ready to serve.
