Exceptional menus start with top-notch ingredients

Product Inspiration

These trendy baked beans build on the growing popularity of bourbon and recent success of Chef's Line™ Pork Belly. First we slow cook navy beans, molasses and brown sugar with pork belly. Then we add genuine Kentucky Bourbon aged a minimum of two years in charred white oak barrels to give the beans a hint of caramel and vanilla plus a slight woody note. Our baked beans are made with care and quality by a fourth-generation family-owned food company in the Susquehanna River Valley of central Pennsylvania.
