

Deodorized A/V Shortening

Remember the crisp, delicious, slightly beefy flavor of French fries at chain restaurants in the 1970s and 80s? Our animal/vegetable shortening brings back that same classic deep-fried taste. French fries and other foods are golden brown and savory—just like you remember them.

Exceptional menus start with top-notch ingredients

Quality and consistency throughout its more than 150-year history reflect the Monarch® commitment to best-in-class flavor, safety and convenience. Monarch has delivered on this promise throughout the years and continues to do so every day.

Product Inspiration

Now you can get classic deep-fried flavor without the greasiness. Our A/V shortening is the perfect blend of beef tallow and soybean oil that is free from artificial trans fat. Our shortening has a fresh, clean aroma and creamy white texture that makes your fried foods crisp, golden and delicious. Plus, it provides extended fry life comparable to other premium shortening/frying oils at a substantial cost benefit.

Suggested Uses

Perfect for:

- French fries, including new Monarch House Fries
- Fried chicken
- Fish
- Appetizers
- Onion rings
- Chicken wings
- Mexican cuisine

Features/Benefits

- Rich, classic, deep-fried flavor reminiscent of French fries at national chain restaurants in the 1970s and 80s
- Proprietary blend of beef tallow and soybean oil
- Delicious eye appeal—foods look crisp and delicious
- Cost-effective—costs less than other shortenings and long fry life reduces the number of oil changes needed
- Great for high-heat cooking—remains stable with a high smoke point
- A variety of high-heat frying applications including French fries, fish and chicken

Tips

Be careful in melting the shortening cube. Place cube in clean fryer and leave overnight to allow slow melt. Heat slowly to desired temperature. Remember to strain the fryer at the end of each shift to extend fry life. Allow fryer to cool at least an hour or two before straining. Do not add other oils or shortenings. Monarch Deodorized A/V Shortening adds great flavor to fries, chicken, appetizers, onion rings and so much more.
