White/Black Dishtowel Dinner Napkin

FashnPoint®

By hoffmaster®

Dishtowel

Create an upscale vintage look with FashnPoint® Dishtowel prints in Red, Blue and Black patterns. Dishtowel prints are also referred as Bistro Towels by most linen companies; however, unlike linen napkins, FashnPoint® Dishtowels will not lint and are 100% compostable. These dinner napkins and Flat Packs™ are perfect for catered events, farm to table restaurants, pizzerias, gastropubs and anyone wanting to set themselves apart with this unique product that is on trend.

Parchment Cake Decorating Triangle

White Top Corrugated Cake Circle

Glassine Embossed Doily

Parchment Cake Decorating Triangles

are superior to cloth pastry bags for decorating cakes and pastries. They are flexible, pliable and require no cleanup. Cut one sheet in half to make two smaller bags.

Cake Circles

line the bottom of round cake pans, facilitating cleanup and eliminating the need to grease the pan. Wax provides good release. Parchment combines release, wet strength and grease resistance.

Glassine Embossed Doilies

are great for displaying your finest bakery items.
