Our high-quality Monogram disposable paper cups help you safely and efficiently serve hot and cold beverages for customers to enjoy in your dining area or on the go.

## HOT CUPS

Monogram® paper hot cups combine form and function. The single, poly-coated board and leak-proof seams ensure the beverage stays where it belongs, while several print or white unprinted options offer choices so you can mix it up and regularly give your cups a fresh look. Pair with the available polystyrene lids for a fully finished and functional cup ideal for use in LSQ, QSR, cafeterias, catering, consumer-level beverage stands, convenience/gas stations and coffee cafés.

### Product Attributes

- Single, poly-coated paper board
- Smooth rolled rim
- Strong sidewalls
- One lid solution for 10 oz. to 24 oz. cups
- Available in attractive Meadows™, Leaf and Symphony stock prints, as well as white

### Benefits

- Ideal for hot beverage applications
- Reduce the need for a sleeve on hot cups
- Ensure a secure lid fit and prevent leaking
- Provide for a secure, comfortable feel
- Minimize storage space and increase operational efficiencies
- Provide a choice for foodservice operators

## COLD CUPS

Monogram paper cold cups combine form and function. The double, poly-coated board and leak-proof seams ensure the beverage stays where it belongs and provides superior moisture resistance. Several print or white unprinted options lend variety to the look of your cup offerings. Pair with the available polystyrene lids for a fully finished and functional cup, ideal for use in LSQ, QSR, cafeterias, catering, consumer-level beverage stands, convenience/gas stations and coffee cafés.

### Product Attributes

- Double, poly-coated paper board
- Smooth rolled rim
- Strong sidewalls
- One lid solution for 10 oz. to 22 oz. cups
- Available in attractive Meadows™ and Pathways stock prints, as well as white

### Benefits

- Provide for superior moisture resistance, ideal for cold beverage applications
- Ensure a secure lid fit and prevent leaking
- Provide for a secure, comfortable feel
- Minimize storage space and increase operational efficiencies
- Provide a choice for foodservice operators

## HOT & COLD CUPS

Monogram paper hot and cold cups provide convenience back-of-house, so there's no fumbling for the right cup, just give it to your customers regardless of their drink's temperature. Or let them grab the cup and go – it'll work as well for coffee and tea as it will for a cold soda, milk or iced tea. And because they contain no polystyrene foam, these cups help reduce the need for a sleeve.

### Product Attributes

- Double-sided, poly insulated board
- Smooth rolled rim
- Strong sidewalls
- One lid solution for 10 oz. to 20 oz. cups
- Available in attractive Meadows™ stock prints
- Contain no polystyrene foam

### Benefits

- Ideal for hot and cold beverage applications
- Reduce the need for a sleeve on hot cups
- Ensure a secure lid fit and prevent leaking
- Provide for a secure, comfortable feel
- Minimize storage space and increase operational efficiencies
- Provide a choice for foodservice operators
- Reduce the need for a sleeve
