

CINNAMON & BROWN SUGAR ICE CREAM

CINNAMON & BROWN SUGAR ICE CREAM

Remember real ice cream? Well, this is a purist's dream. At 15% butterfat and 60% overrun, our product exceeds the standards where most ice creams quit. The result: a rich flavor and exquisite texture reminiscent of the old scoop-shop treats. And the combo of sweet brown sugar and premium Saigon cinnamon spice makes this an excellent complement to other desserts. Best of all, operators get boutique-style quality at an excellent value.

Product Attributes

- 15% butterfat
- 60% overrun
- Made with Saigon cinnamon – a pungent, high-quality varietal that complements the mellowing characteristics of rich ice cream

Benefits
