

BEER BATTERED ALASKA COD

HARBOR BANKS
SEAFOOD

Harbor Banks® Beer Battered Alaska Cod

Our certified sustainable seafood is available in three different cut sizes, for small plates, sides and entrées, through the US Foods® partnership and Chain of Custody certification provided by the Marine Stewardship Council (MSC). With this wild-caught Alaska cod, dipped in a batter made with Alaskan White Ale, you get a great sustainable story and a delicious seafood option.

Product Attributes

- MSC Certified
- Wild-caught in Alaska
- Boneless, skinless and hand-cut from whole muscle fillets
- Harvested under the Responsible Fisheries Management Platform
- Batter is made from real craft beer
- Par-fried, individually quick-frozen

Benefits

- Product is certified as responsibly sourced and sustainable
- Flaky fish with golden-crisp texture looks and tastes homemade, saving operator time
- The Alaskan White Ale, produced at Juneau's Alaskan Brewing Company, helps make the batter light, not bitter

Menu It/Uses

- Alaska Beer Battered Cod Fish and Sweet Potato Waffle Chips with Onion Rings
- Cod Bites with Zesty Dip Trio
- Beer Battered Cod Po'Boy with Beer and Cheese Dip
- Fish Tacos with Baja Drizzle

Preparation Instructions

Heat oil to 350°F. Deep-fry to internal temperature of 145°F. Minis: 3–4 minutes; 2 oz.: 4½–6 minutes; 4 oz.: 6–9 minutes.
